Biologische Lebensmittel in den
Einrichtungen der Stadt Wien

Financial impacts - Cleaning Sector

eco-friendly detergents & cleaning agents
in public hospitals

- save some 300 tonnes of cleaning agents and detergents annually
- yearly cost savings of about 30,000 euro

Financial impacts - energy

- Low-energy lamps save costs in two ways: they use less energy and need to be changed less frequently*
- Between 2004 and 2007, the use of low-energy lamps helped save approx. 37.6 million euro*

Benefits

Environmental Protection

CO₂ Reduction

Long term savings

Induced innovation

Positive effects on health
